

Independent...

in the comfort of your own home.

Comfortably Home helps people live independently—and safely—in their own homes. Our professionals make minor repairs and basic accessibility and safety improvements at no cost for qualified homeowners.

Our team works with each homeowner to create a customized work plan to meet their needs and preferences. Our services can have a positive impact on health, safety, and peace of mind. The homeowner makes the decisions and Comfortably Home takes care of the rest—planning, design, materials, and installation.
